

To keep all our clients and helpers safe we have brought in extra precautions such as using new personal protection equipment (PPE) at every visit our helpers make.

There is no need to struggle on your own! Call us today and let us provide you with the support and help you need.

Our care and support staff are all recruited locally through our structured recruitment process. Employment opportunities are available.

**PLEDGE**

To deliver a continuity of care, personal and professional support, loyalty, courtesy, understanding with confidentiality at all times.

**AREA**

Pamela and her support team cover the Swansea and west areas.

We are:

We are supporting:

**Making Life Easier with Care and Support**

**Private Client Home Care Services is a locally run private company providing domiciliary care and domestic support services to assist independent living in their own homes.**

Pamela and her care team have worked within the care community for over 25 years and understand the importance of remaining in your own home. We offer support to help this process and to make life easier.
